Medical Intuitive training is an energy healing approach that will help you in all areas of your life. This is a unique way of experiencing feeling the energies from the human body. If you are drawn to this style of healing, then receiving training is very important. Spirit guides nudge us in all directions. We need to know how to use the guidance in healing.

You will learn through medical intuitive training to assist the body in its healing, mental clarity heightens awareness and how medical intuitive is utilized on the whole mind, body and spirit. At the end of the 10 week course you will receive a certification as a Medical Intuitive Practitioner. Each course is specifically for those seeking out the classes they would like to participate. Below is a list of courses being offered, check the box or boxes as to which course you would like to participate. Each course is \$120 for two hours (\$60 an hour). A fee of \$800 if all 10 courses are taken consecutively a savings of \$400.
